SECTION C: READING COMPREHENSION (10marks)

Read the following passage carefully and answer the questions that follow.

LADIES AND GENTLEMEN, MY FELLOW SCHOOLMATES...

As you may know, every year our school needs student representatives to sit on the school council. And we, the candidates, have to go through elections and therefore seek your individual and collective support. Thank you for considering me as your next school president (delegate)

Some of you may not know me. I am JR Elessa Nundi. I have been in this school for four years and I'm a student in première C Those who do know me-and the school administrators — can tell you that I have been a passionate advocate for our student body: pleading for better regulations on the use of the play ground and the library; advising younger students to avoid going to the disciplinary council because of bad behaviour; and protecting girls from being bullied. I also won the best student coaching award for taking care of the newcomers and helping them become part of our family here at school.
