PART ONE. EVALUATION OF I	RESOURCES	
Section I: Grammgır (10mks)	•	
1. Here is a dialog at the hospital	between Dr D. and Bala.	
Dr D.: Hello. How can I help you?		
Bala: It really hurts here.		
Dr D.: What happened to your ankle	?	4.00
Bala: I have hurt myself this morninរុ	g while I was going down the stairs	s.
Dr D.: It's just a sprain. I will put a ba	andage and you should be fine nex	t week. Call me if you can't put your feet down
tomorrow.		
Bala: Thank. I will see you next weel	k for my check-up.	
		A Company of the Comp
Report this dialog by completing the	e following text. You must use rep	ported speech. (5mks)
Dr D. said hello and asked		
lanswered that		
Dr 🗀 asked		
l explained that	A V	
H'e said that		hat
		He told me
	X	
I thanked him and added that		
2. Complete these sentences about	t emergency and first aid by conj	ugating the verbs into brackets using zero,
first, second or third conditiona		
a. First conditional. If childre	en ((wear) an helmet on a motorbike it
(prote	ect) their head in an accident.	,
		(drive) more slowly, the accident
(not h		(30.00)
	• • •	healthier if he (do) more
sport.	(Se) inter and	meditiner if the(do) more
	(ninch) your nace :	f you (have) a nose
bleed.	(pinch) your nose, i	(liave) a fluse
	и	of should patety management the believe
		w) about safety measures the baby
(not c	irink) bleach.	•

Section II: Vocabulary (10mks)

COLLEGE F. X. VOGT

1. <u>Complete the following text about food safety measures using words or expressions from the box bellow.</u> (5mrks)

burn, chill, germs, handled, leftover food, raw, safely, soap, thoroughly, World Health Organisation

Den, perhaps even the coronavirus has been full trust of the public keep equipment gether, sweat, breathe akes one infected persore re reopening," says one

A physiologist at the Mayo Clinic takes a more balanced view, "There are smart ways to reopen, and there are ways to turn any gym into one hig incubator (of infections)." The smart approach it come would be to

restrict the number of people allowed in a gym at one time, but one wonders how long such measures will be necessary for. It appears that ultimately, the popularity of gyms won't fully return until the risk of the coronavirus is a thing of the past.

Questions	(10mks)

	What is the main paint of this tout? (2 mls)		
i .	What is the main point of this text? (2mks)		
٥.	Give the meaning in English of the underlined expression "Lockdown Pounds". (2mks)		
	Why is the risk of spreading Coronavirus in gyms so high? Give two reasons. (2mks)		
	A ccording to data how many people does it take to infect a whole crowd? (1mk)		
١.	According to the text what should gyms do to lower the spreading of Coronavirus? Give 2 measures. (2mks)		

Section II: Composition (10mks)

Select ONE of the following topics and write a good essay. (150-200 words).

When will the popularity of gyms fully return ?(1mk)

<u>Topic 1</u>: Your little sister Sara aged 4 years old accidently swallowed some very dangerous cleaning products. Write a narrative story about the accident, what you did and how this accident could have been avoided.

<u>Topic 2</u>: Your name is John Noya. Your best friend Jason regularly consumes alcohol and cannabis. Write a letter to your best friend Jason to tell him about the danger, consequences of such habits and what he should do to stop.

Topic 3: Write the narrative story shown in the pictures as if you were the driver.
