COMPETENCE

Part III: READING COMPREHENSION (10marks)

Read the text about volunteering service and answer to the following question.

My name is Kicha and my best friend is Myriam . Myriam goes to school at the Missionary Centre . I first met her at a farewell party at our neighbour's house . Our neighbours were leaving in town. We both attended the party with our schools. We liked each other immediately. Myriam told me that she lived just one street away from us. She invited just one street away from us . She invited me to her house the following day . When I visited her , we played a computer game together and watched a cartoon . Her parents were very kind and polite . Since then, we see each other quite often. We do not attend the same school but we do a lot of things together . We like the same things. We also dislike the same things.
