**SECTION C: READING COMPREHENSION (10mks)**

**Read the following passage then answer the questions in full sentences.**

**KUMBA District Hospital**

Kumba District Hospital is a clean place. Doctors, nurses, midwives and ward servant work here. Lots of patients come here, because the hospital takes care of them when they are ill. The patients come here to see the doctors and nurses. They get a prescription and they go and their medicines. Then they return home until they get better.

Sometimes, the doctors admit the patients who are very ill. They must stay in the hospital so that the doctors and nurses can observe them and treat them carefully.

The nurses like their work. They welcome the patient. They write their names on a card or in a small exercise book. They take patient's temperature and weight. The patient then goes to see the doctor.

The doctor checks the patient's chest with a stethoscope. The doctor also checks their eyes, ears and mouth. Then the doctor asks the some more questions. Then the doctor gives the patient a prescription. The patient must follow the doctor's prescription and instructions.

a) Who work at this hospital? \_\_\_\_\_

b) Why do people come here? \_\_\_\_\_
