COLLEGE FX VOGT - LITERATURE IN ENGLISH EXAM

SCHOOL YEAR 2021-2022
ENGLISH DEPARTMENT
DURATION: 45min
LEVEL: 5°
DATE: 21-10-2021

Section A: Read carefully and answer all questions below

1. Write down the name of Tahlah's dog
Answer: The name of Tahlah's dog is not provided in the text. (Assuming the name is not mentioned in the text, the student should leave it blank or write "Not mentioned.")
2. Who is Tahlah in the book?
Answer: Tahlah is a pupil and a hunter. (From the context, Tahlah is described as both a pupil and a hunter.)
3. Name two good qualities of Tsinga?
Answer: The text does not provide specific qualities of Tsinga. (Assuming Tsinga is a character in the book, the student should refer to the book for the correct qualities or leave it blank if not mentioned.)
4. What made his parents to go to town?
Answer: The text does not provide information on why Tahlah's parents went to town. (The student should refer to the book for the correct answer or leave it blank if not mentioned.)
5. Complete the following sentences with missing words:
 - (a) A _____ is someone who traps and kills animals in the forest
Answer: A **hunter** is someone who traps and kills animals in the forest.
 - (b) A gun and _____ are hunting tools
Answer: A gun and a **trap** are hunting tools. (Assuming "trap" is the correct answer based on context.)
6. Some protected species of animals are chimpanzees, gorillas and _____.
Answer: Some protected species of animals are chimpanzees, gorillas, and **elephants**. (Assuming "elephants" is the correct answer based on common protected species.)

Section B: Choose and underline the correct answer

1. Wild animals live in:
 - (a) The city
 - (b) **The forest****Answer:** b. The forest
2. Tahlah likes his dog because
 - (a) **It is a good friend and hunter**
 - (b) It is a big and wild dog

Answer: a. It is a good friend and hunter

3. We should not destroy the forest because it is:

- (a) **The natural home/habitat of animals**
- (b) It makes the city dirty

Answer: a. The natural home/habitat of animals

4. Which statement is true:

- (a) **Tahlah is at the same time a pupil and hunter**
- (b) Tahlah is at the same time a pupil and a student

Answer: a. Tahlah is at the same time a pupil and hunter

Notes for Correction:

- For questions where the text does not provide enough information (e.g., Tahlah's dog's name, Tsinga's qualities, why Tahlah's parents went to town), the student should refer to the book or leave the answer blank if the information is not available.
- The answers provided are based on the context of the questions and common knowledge about the topics (e.g., protected species, hunting tools).
