Text.

Benjamin and Yvan are two new friends ; they met each other during hollydays at MBALMAYO. MBALMAYO is a very small town , so peoples know one another, some local activities like hunting , selling , cultivating make them be always together . Benjamin is older than Yvan but the two boys come from different families, Benjamin's family is a very poor family while Yvan's family is one of the most prestigious in the small town ; the two boys didn't know each other before ; but one day , something happened . Benjamin was in class six the previous year , and he passed his exam but his parents were unable to send him in a secondery school because they didn't have money ; no uncle, no aunt could help him , the young man was very sad ; but one day , while he was playing football, a new young man came to play with him and his name is Yvan ; after the game , the two young boys have started discussing , during the discussion, Benjamin told him the situation and the man was very sad too ; as Yvan was in a prestigious family, he decided to ask for help to his parents who decided to help their child's friend ; they payed school fees for him and bought many things like uniform, bag, exercise books, books etc ... since that day , Binjamin and Yvan became very good friends.
