SECTION C: Reading Comprehension (10 Mrks).

Study the questions that follow the passage. Read the text below and do as instructed.

Every month, Djibril's father gives his wife some money to buy foodstuffs in the market. He gives her many 10,000, 5,000, 2,000, and 1,000 Francs banknotes or paper notes for all the household needs. In the market, she buys fish, rice, plantain, meat and snacks for the family. She sometimes settles with notes if the bill is high. However, when the bill is not high, she uses coins to pay. Sometimes too, if Djibril behaves well, she offers him candies or coins to take to school. Every month, she pays the water and electricity bills through her mobile phone, as well. She is good at managing money.

A- Answer True or False.

1. Djibril's mother uses the money her husband gives her to settle the water and electricity bills._____

2. If Djibril behaves well, his mother offers him bread._____
